

## Navigation Information for Infant/Toddler Service Delivery Learning Path

Welcome to the Infant/Toddler Service Delivery Learning path. Use this navigation guide to the learning path whether you are [new to I/T Service Delivery Professional Development](#) or [you have already completed EI Service Delivery and FGRBI](#).

For people who are new to I/T Service Delivery Professional Development (start here):

1. Go to the [Learning Path page on the Portal](#)

2. Review the information on the page to learn about the components of the Learning Path
3. Take EI Service Delivery course (if you haven't already) and FGRBI course. Both of these are accessible from the [Learning Path page on the Portal](#)

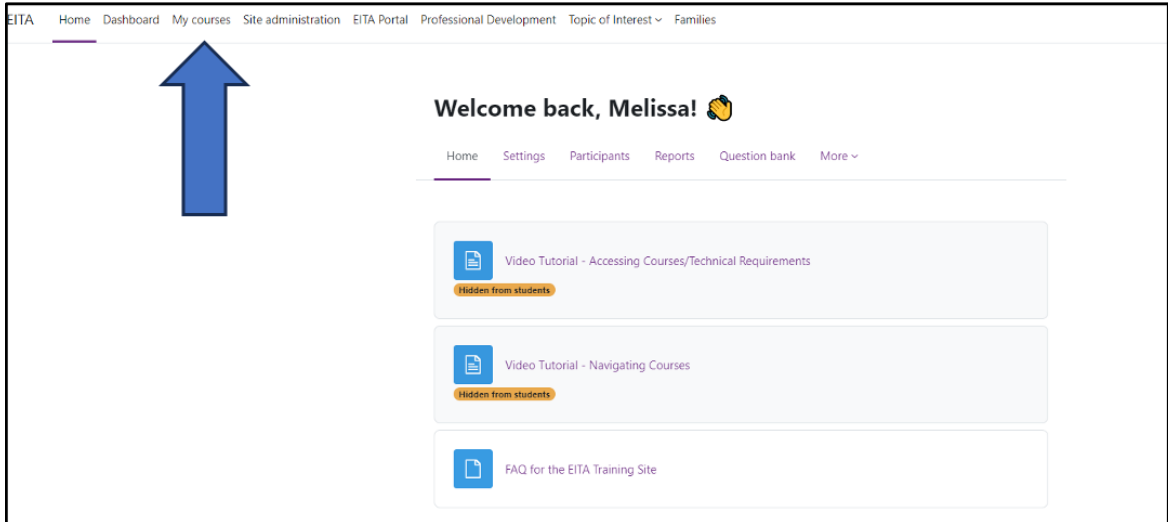

The screenshot shows a page titled 'I/T Service Delivery Learning Path Components'. It lists four components, each with an icon and a description. A large blue arrow points from the right towards the first component, and another large blue arrow points from the right towards the second component.

- 1. EI Service Delivery: Coaching Across Settings**  
This one-hour online course is open to anyone. It is self-paced and asynchronous. In it, learners will identify and explore the Principles of Early Intervention in Pennsylvania as put forth in OCDEL Announcement EI-20-03.
- 2. Family Guided Routines Based Intervention (FGRBI)**  
This two-hour online course is open to anyone. It is self-paced and asynchronous. In it, learners will be provided with an overview of Family Guided Routines Based Intervention (FGRBI); the model of coaching that is being used by the PA Infant/Toddler EI system.
- 3. SS-OO-PP-RR**  
SS-OO-PP-RR is comprised of two pieces: a four-hour self-paced, asynchronous, online course and a one-hour instructor-led live webinar. After the online course is completed and a certificate is obtained, registration information for the webinar will become available.  
Participants will be automatically enrolled in SS-OO-PP-RR after the FGRBI online course has been completed.
- 4. Family 5Q**  
Family 5Q is comprised of two pieces: a four-hour self-paced, asynchronous, online course and a one-hour instructor-led live webinar. After the online course is completed and a certificate is obtained, registration information for the webinar will become available.  
Participants will be automatically enrolled in Family 5Q after the SS-OO-PP-RR online course and webinar.

4. After you complete the FGRBI course, you will be automatically enrolled in SS-OO-PP-RR and can continue with the components of the Learning Path.

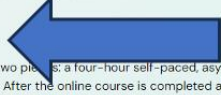

**For people who have already completed EI Service Delivery and FGRBI (start here):**

1. If you have successfully completed all pieces of the EI Service Delivery and FGRBI courses, you are already enrolled in SS-OO-PP-RR on the EITA training site. If you have not completed all pieces of EI Service Delivery and FGRBI, you will need to do that first ([see “New to I/T Service Delivery Professional Development”](#)).
2. After you log into [the EITA training site](#), you will see SS-OO-PP-RR listed under “My Courses”

3. You can also access SS-OO-PP-RR by clicking on the link on the Learning Path page on the Portal. You will need to log in to the training site to access the course.

### I/T Service Delivery Learning Path Components

-  **1. EI Service Delivery: Coaching Across Settings**  
This one-hour online course is open to anyone. It is self-paced and asynchronous. In it, learners will identify and explore the Principles of Early Intervention in Pennsylvania as put forth in OCDEL Announcement EI-20-03.
-  **2. Family Guided Routines Based Intervention (FGRBI)**  
This two-hour online course is open to anyone. It is self-paced and asynchronous. In it, learners will be provided with an overview of Family Guided Routines Based Intervention (FGRBI); the model of coaching that is being used by the PA Infant/Toddler EI system.
-   **3. SS-OO-PP-RR**   
SS-OO-PP-RR is comprised of two pieces: a four-hour self-paced, asynchronous, online course and a one-hour instructor-led live webinar. After the online course is completed and a certificate is obtained, registration information for the webinar will become available.
