For people who are new to Preschool Service Delivery Professional Development (start here):

1. Go to the [Learning Path page](#) on the EITA Portal.

2. Review the information on the page to learn about the components of the Learning Path.

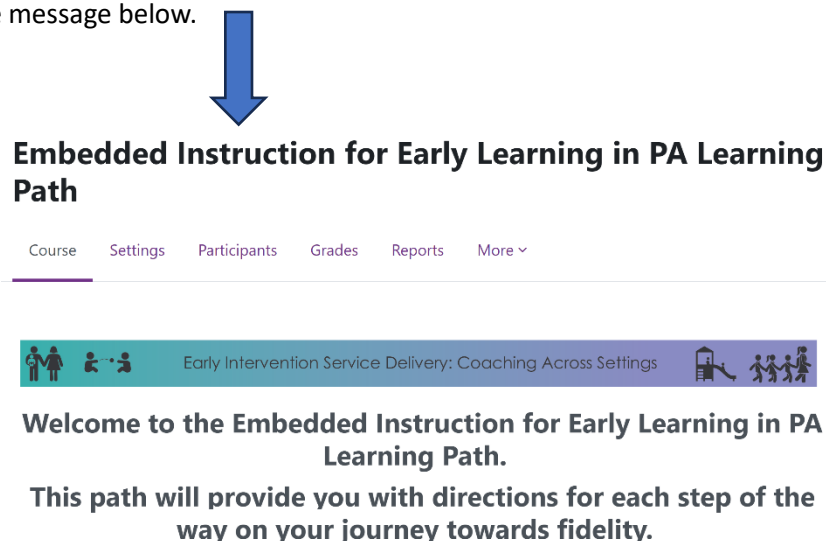

3. Take the “*Early Intervention Service Delivery: Coaching Across Settings*” and “*An Overview of Embedded Instruction for Early Learning in PA*” courses. Both of these are accessible from the [Professional Development page](#) on the EITA Portal.
4. After you complete the “*An Overview of Embedded Instruction for Early Learning in PA*” course, you will have finished the first phase of the Learning Path. Your program will determine the next step and timeline for your continuation on the Learning Path. Please wait for an invitation to proceed to the next phase. Following your invitation, you will be enrolled in the next step to continue on your journey to fidelity.

For people who have already completed the “*Early Intervention Service Delivery: Coaching Across Settings*” and “*An Overview of Embedded Instruction for Early Learning in PA*” courses (start here):

1. When you are selected by your program to continue on your journey to fidelity, your program will provide your name and email address to EITA for you to be enrolled in the “*Embedded Instruction for Early Learning in PA Learning Path.*” You will receive an email from EITA when this occurs prompting you to log in.
2. After you log into [the EITA training site](#), you will see “*Embedded Instruction for Early Learning in PA Learning Path*” listed under “My Courses.”

3. From there, you will simply follow the directions within the “*Embedded Instruction for Early Learning in PA Learning Path.*” You will know that you are in the right place when you see the welcome message below.

4. As you continue on your journey, you will be provided with access to future courses and webinars via the EITA Training site. When you complete each step, you will gain access to the next. This may be through invitation, survey, or registration codes in courses and webinars as you progress through the learning path. Examples are of what you may see are included below. *Please note that at times, this process will include logging into the [PaTTAN training site](#) to access the training calendar.
