Infant Toddler Development-Resources to Support Your Knowledge and Skills

Early Intervention Technical Assistance

Early Intervention Technical Assistance (EITA) provides training and technical assistance to local Infant/Toddler and Preschool Early Intervention programs providing support and services to children birth to school age with developmental disabilities and their families. [Home - Early Intervention Technical Assistance Portal (eita-pa.org)](https://eita-pa.org)

Center for Disease Control

This link provides CDC's updated milestones and parent tips and new checklists for ages 15 and 30 months. [CDC's Developmental Milestones | CDC](https://www.cdc.gov)

Healthy Children Ages & Stages Questionnaire

HealthyChildren.org provides general information related to child health or more specific guidance on parenting issues. [Ages & Stages - HealthyChildren.org](https://HealthyChildren.org)

Pennsylvania's Promise

This link provides information on what changes you should expect as your child grows. The milestone lists can help you check your child's development against common milestones. Choose the age of your child, then get the milestone list! [Developmental Milestones List – PA Promise for Children](https://papromiseforchildren.com)
